**UNITED STATES DISTRICT COURT  
FOR THE  
DISTRICT OF NEW JERSEY**

**Waiver of Hearing to Modify Conditions  
of Probation/Supervised Release or Extend Term of Supervision**

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

You are to participate in the Location Monitoring Program. You shall be confined to your residence for a period of 30 days months commencing at the direction of the U.S. Probation Office. You shall be required to be at this residence at all times except for approved absences for gainful employment, community service, religious services, medical care, educational or training programs and at other such times as may be specifically authorized by the U.S. Probation Office. You shall wear a Location Monitoring device and follow all location monitoring procedures. You shall permit the Probation Officer access to the residence at all times and maintain a telephone at the residence without any custom services or portable, cordless equipment. You shall comply with any other specific conditions of home confinement as the Court may require. You shall pay all the costs associated with the Location Monitoring Device. The U.S. Probation Office may use less restrictive location monitoring technology if the U.S. Probation Office determines that a less restrictive device is available and appropriate.
